MEDICAL AUTHORIZATION: We hereby grant Just For Kids Preschool permission to take whatever action may be necessary in providing emergency medical care for my child. We understand that Just For Kids will first make an attempt to contact a parent, guardian, physician or other persons authorized to be contacted in an emergency, but if they are unavailable, we grant permission to Just For Kids Preschool to call 911 and seek medical attention from available physician or ambulance personnel. A staff member will accompany the child until a parent arrives. We hereby agree that we will be responsible for and will promptly pay all medical charges incurred by such an emergency.

Signature _____ Date _____

GENERAL AUTHORIZATION: We hereby grant Just For Kids Preschool permission for the above named child to:

- (a) take part in all program activities including the use of indoor and outdoor play equipment
- (b) be photographed or videotaped during program activities
- (c) be given prescribed medications provided by the parent as directed by the written instructions from a physician.
- (d) a log will be kept of administered medications.
- (e) be given first aid treatment for minor cuts, scrapes, bumps, or bloody nose.

Pest Management

Integrated pest management is a method for managing damage by pests with the least possible hazard to people, property, and the environment. This method of managing pests includes the careful use of pesticides such as insecticides, herbicides, rodenticides, and fungicides. Integrated pest management also requires that parents or guardians have a right to prior written notice of pesticide applications. I have read and understand the Just For Kids Preschool integrated pest management.
